The Fund has adopted the performance of the Principal Street High Income Municipal Fund, a series of the Trust for Managed Portfolio Series (the "Predecessor Portfolio") as the result of a reorganization of the Predecessor Portfolio into the Fund, which was consummated after the close of business on October 4, 2024 (the "Reorganization"). Prior to the Reorganization, the Fund had not yet commenced operations. The returns shown for periods ending on or prior to October 4, 2024 are those of the Class A shares of the Predecessor Portfolio. Class A shares of the Predecessor Portfolio were reorganized into Class A of the Fund, respectively, after the close of business on October 4, 2024. Class A shares' returns of the Fund will be different from the returns of the Predecessor Portfolio's Class A shares as they have different expenses.

Performance information reflects the impact of fee waivers, expense caps and/or reimbursements in effect during the period shown. If terminated, future expenses may be higher which would impact the Fund's performance.
